COLLECTIVE BARGAINING AGREEMENT

This Agreement is made between the Easthampton School Committee (Committee) and the Easthampton Education Association (Association), in accordance with the appropriate provisions of Chapter 150 of the General Laws of Massachusetts, as amended.

Should any provision of this Agreement be found contrary to law by a court of competent jurisdiction, the parties agree to meet to negotiate over the impact of said finding and the remainder of this Agreement shall remain in full force and effect.

Nothing in this Agreement shall be deemed to derogate from or impair any power, right, or duty conferred upon the School Committee or their agents by statute or any rule or regulation of any agency of the Commonwealth. For every matter not specifically mentioned or provided for in this Agreement, the Committee or their agents retains all the powers, rights, and duties that it has by law.

The Easthampton School Committee recognizes the Easthampton Education Association (an affiliate of the Massachusetts Teachers Association-National Education Association) as the sole bargaining agent for all full-time and regular part-time para-educators, health para-educators and licensed practical nurses; all permanent administrative assistants, except the Executive Assistant to the Superintendent/School Committee and Personnel Manager and the Financial Manager; and all custodial employees, but excluding all confidential, managerial, and all other employees of the Easthampton Public Schools.

The parties hereto agree as follows:

ARTICLE I
MANAGEMENT RIGHTS

- 1.1 The exercise by the Committee or their agents of any of the following rights shall not alter any of the specific provisions of this Agreement; nor shall they be used to discriminate against any member of the Bargaining Unit.
- 1.2 The parties agree that the operation of the School Department and the supervision of the employees and of their work are the rights of the Committee acting through their agents. Accordingly, subject to the provisions of this Agreement and M.G.L.C. 150E, the making of reasonable rules to ensure orderly and effective work, to determine the quantity and types of equipment to be used; to introduce new methods and facilities; the making of work schedules, the determination of what and where duties will be performed, and of employees competency; the hiring, transfer, promotion, demotion, lay-off, recall, discipline or discharge of employees for just cause without discrimination, are rights of the Committee or their agents.

- 1.3 The Association agrees that the cleaning/maintenance of the Administration Building is not considered bargaining unit work and the School Committee acting through their agents is unrestricted in their right to subcontract said work.
- 1.4 The foregoing enumeration of the Committee's rights shall not be deemed to exclude other rights not specifically set forth, the Committee and their agents therefore retaining all rights not otherwise specifically restricted by this Agreement.

ARTICLE II NO STRIKE

- 2.1 The Association and the members of the bargaining unit severally agree that during the term of this Agreement they will not for any reason directly or indirectly cause, encourage, induce, threaten, or engage in any work stoppage, slowdown, strike, withholding of services, or any interference with the operations of any of the functions of the Committee or of the Easthampton Public Schools.
- 2.2 The Association, recognizing and accepting its responsibility under the terms of this Agreement, agrees that in the event any members of the bargaining unit engage in any of the prohibited conduct described in paragraph 2.1, the Association shall promptly make a good faith effort to bring about immediate compliance with the provisions of this Article by any such member who engaged in conduct contrary to the provisions of this Article.
- 2.3 A member of the bargaining unit who engages or participates in any of the prohibited conduct described in paragraph 2.1 shall, at the discretion of the Committee or their agents, be subject to disciplinary action, including reprimand, suspension or discharge and such action if taken by the Committee or their agents, shall not be subject to the grievance procedure as provided in Article III provided however, that the fact of the participation of a member in such prohibited conduct shall be subject to the grievance procedure.

ARTICLE III GRIEVANCE PROCEDURE

3.1 Definition

A grievance is any claim by the Association that there has been a violation of the terms of this Agreement.

3.2 Time Limits

All time limits set forth herein shall consist of consecutive days when the school system's administrative offices are open. Such time limits may only be extended by mutual agreement in writing.

3.3 Presentment of Claims

At all levels above Level One grievances shall be presented only by the Association and only in writing and with the written consent of the employee involved, unless such grievance shall affect more than one (1) employee, which writing shall set forth with specificity the alleged violation of the terms of the agreement and the relief requested. No sole allegation that the contract has been breached generally shall be entertained.

A grievance claim must be presented at the appropriate Level within ten (10) days after the aggrieved person or the Association knew or should have known of the act or condition on which the grievance claim is based.

All grievance procedures shall be taken up after regular working hours.

3.4 Level One

Notwithstanding the requirement that grievance claims be presented only by the Association, an employee who claims a violation of the terms of this Agreement affecting himself or herself may discuss the matter informally with the employees immediate supervisor. If the matter remains unresolved the member, following notification to the immediate supervisor may discuss the matter informally with the responsible principal or supervisor to whom the member is assigned.

3.5 Level Two

If the matter remains unresolved, the Association may submit the grievance to the responsible principal in writing pursuant to the terms of paragraph 3.3 above. In the event that the employee or employees affected are not responsible to an individual principal then such claim shall be presented to the members immediate supervisor, provided, however, that grievances directly affecting all employees or employees in more than one (1) school building may be presented directly at Level Three. The decision of the individual principal or immediate supervisor shall be presented to the Association in writing within five (5) days after its submission.

3.6 Level Three

If the grievance is not resolved by the decision rendered at Level Two the Association may within five (5) days after the decision of the responsible administrator at Level Two present the grievance in writing to the Superintendent of Schools. The Superintendent of Schools shall render the Superintendent of Schools' decision in writing within five (5) days after receipt of the grievance.

3.7 Level Four

If the grievance is not resolved to the satisfaction of the Association by the decision of the Superintendent of Schools at Level Three the Association may, within five (5) days after receipt of the Superintendents decision submit the grievance in writing to the School Committee.

In submitting such grievance to the School Committee the Association may request the Committee to grant it a private hearing before acting on the grievance in which event such a hearing will be granted.

The School Committee shall render a decision in writing within twenty-eight (28) calendar days after receipt of the grievance.

3.8 Level Five

If either party is not satisfied with the disposition of the grievance at Level Four or the Level Four time limits expire without the issuance of the School Committees written answer, then the Association may submit the grievance to arbitration by filing a written demand to arbitrate with the School Committee within twenty-eight (28) calendar days of receipt of the School Committee's decision. If said demand is not filed within the aforementioned time limits, the grievance will be considered settled under the terms as expressed in the School Committee's Level Four decision.

The Parties agree, for the duration of this Agreement, to select an arbitrator according to the procedures of the Massachusetts Board of Conciliation and Arbitration.

The arbitration proceedings will be conducted under the rules of the American Arbitration Association. The award shall be final and binding on the School Committee, the Association, and the Grievant. The fees and expenses of the arbitrator shall be borne equally by the Parties.

The authority of the arbitrator shall be Limited to construing and interpreting the rights of the Parties, under the terms of this Agreement. The arbitrator shall have no power to amend, delete, or add to its terms. Nor shall the arbitrator render a decision, which shall infringe upon any of the reserved rights and duties of the School Committee.

Each employee covered by this Agreement will be notified by August 1, preceding the start of each school year, of the employee's starting and dismissal times and of the scheduled work year.

4.2 The exercise of the above-referenced discretion will include but not be limited to specifying the number of and which days are to be worked and setting the daily starting time and dismissal time of each employee.

In an emergency, the building principal or the Director of Maintenance can require the lunch period be changed. The length of the lunch period will be agreed to by the principal/Director of Maintenance, and the custodian.

- 4.13 Two (2) rest periods/breaks, no longer than ten (10) consecutive minutes in each half of any one working day, shall be part of the daily hours and duty free except as declined for lunch periods above. Custodians cannot leave the site during rest periods/breaks.

During this time, no permanent vacancy will be created. The employee will be compensated at an appropriate rate of pay for the number of hours worked in each position.

All requests for transfer within the bargaining unit will be considered on ability, qualifications, and length of service. Only when ability and qualifications are relatively equal, will length of service be the determining factor in granting the request. The Superintendent in conjunction with the Building Principals will retain solely in their discretion the right to grant or deny any and all requests for transfer.

The power of appointment, promotion, transfer, assignment, and removal is specifically reserved to the Superintendent and the Building Principals, as granted by law, in their sole discretion. In the event a member is promoted to a higher classification, such appointee shall be placed on the salary scale for the new classification at the same experience level the employee had previously attained.

- 5.3 When an employee transfers from another city department, their years of service to the city will be counted toward determining the employee's level of benefits (i.e. vacation and personal days). Therefore, the Committee and the Association, for the Life of this Agreement, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject matter not specifically referred to or covered by this Agreement, even though the subjects or matter may not have been within the knowledge or contemplation of either or both of the Parties at the time that they negotiated or signed this Agreement. - 17.8 Seniority as referenced in this article will be calculated from the most recent date of hire by the Easthampton School Committee and includes all recognized leaves of absence under this Agreement. This seniority list will be issued annually no later than October 15 by the Superintendent or designee.

- 17.17 Any declination of a job offered under this Article will terminate the employment of the individual and satisfy the School Committee's obligation under this Article.
- 17.18 The employee shall, within fourteen (14) calendar days after receipt of notice of recall by certified mail and return receipt requested, file acceptance through return of a signed slip provided by the Employer of their intention to return or not to return by certified mail and return receipt requested. If such acceptance is not received by the Superintendent's Office at the end of fourteen (14) calendar days, it shall be considered a declination on the part of the employee, unless there are unusual extenuating circumstances approved by the Superintendent and/or the Committee.
- 17.19 Seniority, as referenced in this article, will be calculated from the most recent date of hire as a secretary in the bargaining unit by the Easthampton School Committee, including all recognized leaves of absence under this Agreement, unless modified by an adjusted anniversary date as defined in paragraph 26.01 of the contract.
- 17.20 The Superintendent or designee will issue this seniority list annually.

1. to accept a layoff; or
2. to be transferred in accordance with Section 3 of this Article.

17.27 Employees cannot “bump” into a higher grade level.

17.28 Seniority as referenced in this Article will be calculated from the most recent date of hire by the Superintendent in the particular job category (e.g., custodians, para-educators, etc.) and shall include all recognized leaves of absence under this Agreement. The Committee agrees not to discontinue such deductions except upon sixty (60) days written notice given by the employee.
- 18.2 All members of the bargaining unit who are not members of the Association shall be required to pay an annual Agency Fee, pursuant to MGL Chapter 150E, Section 12. Employees may have access to payroll deduction for the purpose of paying the fee. The Easthampton Education Association recognizes the sole and exclusive remedy for non-payment of the fee shall be for the Association to proceed to court for collection of the fee from a nonpaying employee member of the unit.
- 18.3 The Association agrees that it will indemnify and hold the Employer harmless for any and all claims, demands, suits, or damages arising from this Article, provided that the Association retains the sole right to select and assign appropriate legal counsel and provided that the Employer cooperates with said counsel in the conduct of the case.

unit members. In the event of a restricted time frame (e.g., sudden resignation, etc.), the District may choose to interview less than five (5) bargaining unit members.

ARTICLE XX
PROFESSIONAL LEAVE

20.1 Professional Leave

Employees covered by this Agreement shall be eligible for paid professional leave for the purpose of attending conferences, training opportunities, course and workshops related to their employment. Time as needed may be granted at the sole discretion of the Superintendent.

20.2 Denials of Professional Leave will not be subject to the provisions of Article III (Grievance/Arbitration).

ARTICLE XXI
SALARY

21.1 Payroll checks will be distributed to Para-educators on twenty-two bi-weekly paydays using the current practice of annualizing a weekly salary based on the employee's hourly rate and work year.

The following salary provisions shall apply to administrative assistants:

21.2 All step rate increases in salary are effective on an employee's anniversary date, unless otherwise specified.

21.3 All overtime hours worked by employees must be documented and reported to the Business Office. Employees shall be paid time and one-half (1½) for work performed in excess of thirty-five (35) hours in any one (1) week; double time for Sundays or legal holidays. No overtime work shall be permitted or paid for without prior approval of the Superintendent or his/her designee. Payment for overtime work can be on a monetary basis or in the form of compensatory (comp) time.

21.4 Effective July 1, 2011, an employee may accumulate no more than thirty (30) hours of compensatory time. Employees who currently have more than thirty (30) hours may retain their current accumulations until used, but may not accumulate additional compensatory time.

21.5 Overtime is not to be used to perform an employee's normal, routine workload. It is intended for use during occasional peak periods, or when the absence of a co-worker necessitates coverage by the remaining office staff. This paragraph will not apply to the Elementary Principal's secretaries, who will be required to work

an additional fifteen (15) minutes/day when teachers and/or students are in attendance.

21.6 Job Classification is as follows:

Grade C: Administrative Assistant, Business Office – Payroll (28 hours)
Administrative Assistant, Business Office - Accounts Payable/Purchasing (28 hours)
Administrative Assistant, Personnel/SIMS State Reporting
Administrative Assistant, Administrator - Special Education

The purpose of the job classification is to establish a grade for each position, which, in turn, produces a salary range from high to low. The advantage of the A grade/ rating system is that it provides incentive opportunities for employees within the system to candidate positions with higher grade ratings and improve their potential earnings. An ambitious employee has an advantage of vertical movement on the salary scale and is not limited to horizontal movement at the same grade.

21.7 The School Committee retains and reserves the right to create and/or decrease positions at its sole discretion. Moreover, the classification of new positions remains the right and the duty of the School Committee at its sole discretion.

The following provisions shall apply to custodians:

*Corey Homes only: \$966.18

21.11 New hires shall be placed on the salary scale between Step 1 and Step 5, based on experience and qualifications. Movement beyond Step 5 can only occur after said length of continuous service to the Easthampton Public Schools (example: custodian with five years of continuous service in Easthampton would advance to the step labeled “after 5 years”).

21.12 A custodian assigned, in writing, to work in a higher grade for a period of more than three (3) working days will receive \$10/week if assigned to be a Lead Custodian or \$20/week if assigned to be a Head Custodian retroactive to the first day of work in the higher grade. If the Lead Custodian is involved in accordance with this section, the night crew in said building will be offered the temporary Lead Custodian position in order of hiring date. Out-of-grade adjustments will not be applicable during school year vacations or summer vacation periods.

Building principals will attempt to honor this list in assigning substitutes who want a substitute position before giving substitute assignments to those who would prefer to remain in their para-educator position.
- 22.2 In the event a para-educator is employed as a substitute teacher, the para-educator will be compensated at the rate of \$20.00 for each full day or \$10.00 for each half day in addition to the para-educator's current rate of pay per day.

The following provision applies to custodians:

- 22.3 Substitute custodians shall be employed when available and when necessary or desirable in the discretion of the Superintendent of Schools for permanent custodians who are absent for protracted periods due to illness, or due to vacation periods of more than one (1) week.

MEMORANDUM OF AGREEMENT

This Memorandum of Agreement between the Easthampton School Committee and the Easthampton Education Association (Secretarial Unit), acting by and through the Superintendent of Schools and the President of the EEA, is entered on the__ day of October 2011 and here by records their agreement with respect to recognizing that there is some confusion and/or misunderstanding regarding the Personal Leave available to part time secretarial employees covered by the Secretarial Unit of the EEA and both parties agree as follows:

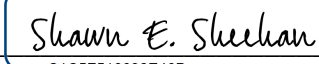

1. Personal Leave taken under Article VIII is a protection against loss of earnings. It is not a vested right for compensation accrued.
2. There is no language in Article VIII, or the collective bargaining agreement in general that pro-rates the amount of leave time available to part time employees.
3. Personal Leave time is referenced in days and absent specific language defining the use of the word "day", the word day is meant to refer to an individual's work day for the day (time off) requested.
4. Employees are eligible for one, two, three, four or five such "days" based on their seniority in the bargaining unit from their date of hire. There is no pro-ration of seniority for part time employees.
5. Approval of Personal Leave is a discretionary right retained by the employee's immediate supervisor as delineated in Article VIII, Sec. 3.

HEALTH INSURANCE SIDE LETTER

October 9, 2008

Mr. Robert Parent, President
Easthampton Education Association

Dear Mr. Parent:

The purpose of this letter is to give written expression of my understanding of the tentative agreement reached on October 8, 2008, during our mediation session with Michael Boyle.

This understanding is as follows:

1. The Easthampton Education Association will accept the School Committee, "Basis for Settlement", dated September 24, 2008.
2. The School Committee will reimburse School Department employees for a maximum of \$20,000, per fiscal year, for documented expenses resulting from any new Health Insurance deductible that emanates from changes in Health Insurance plan design under the Insurance Advisory Committee process as delineated in Item #5 in the September 24, 2008 School Committee proposal. The amount of the reimbursement will be calculated as the difference between the new deductible under the employee's Health Insurance Plan and the savings in reduced premium costs. The above referenced \$20,000, will be the limit of any reimbursement total made to School Department Employees in any fiscal year.

For the Easthampton School Committee,

Thomas Brown, Chairman

Enclosure: September 24, 2008 "Basis for Settlement"
